What will I learn?

This is a challenging and fun course for anyone interested in a career within the field of Sport, Exercise, Health and Fitness. The core focus of this qualification is within the field of sports studies. It prepares students for a career in this wide and diverse area. Prominent areas of exercise, health, development, coaching and fitness are studied. Students may also be offered additional vocational certification in areas such as First Aid, Coaching, Child Protection Awareness and Fitness Instruction.

The BTEC L3 Subsidiary Diploma is nationally recognised as equivalent to one A Level and is awarded the same number of UCAS points.

What skills will I develop?

This course will continue to develop your ability to:

- Think creatively
- Participate effectively
- Self- manage
- Work effectively as part of a team
- Reflect on your learning and
- Identify questions, answer and resolve problems.

Assessment

All units are internally assessed. All assessment for the BTEC qualifications in this specification is criterion referenced, based on the achievement of specified learning outcomes.

Each unit within the qualification has specified assessment and grading criteria which are to be used for grading purposes. A summative unit grade can be awarded at pass, merit or distinction:

- To achieve a 'pass' a learner must have satisfied **all** the pass assessment criteria
- To achieve a 'merit' a learner must additionally have satisfied **all** the merit grading criteria
- To achieve a 'distinction' a learner must additionally have satisfied **all** the distinction grading criteria.

Learners who complete the unit but who do not meet all the pass criteria are graded 'unclassified'.

Career Progression

Successful candidates may progress to Higher Education courses within the field of Sports Studies, Exercise & Health and Coaching Studies. There are also a range of employment opportunities within this sector including: Coaching, Teaching and Training.
